## INTERNSHIP AGREEMENT

*(Internship contract between the host company and the intern)*

This Internship Agreement (the "Agreement") is made between:

(1) Youtune Technology Co., Ltd. (浙江禹调科技有限公司), a company registered in the People's Republic of China, having its office at Room 701, Building No. 2, Zhejiang University Ningbo Campus (Ningbo Innovation Center), Ningbo, Zhejiang Province, P. R. China, represented by Prof. Kingsum Chow (hereinafter the "Company"); and

(2) Mr Mustafa Emre ÇEKMIŞ, a national of the Republic of Türkiye, holder of passport no. U36458484, student no. 040230114 at the Department of Electrical Engineering, Faculty of Electrical and Electronics Engineering, Istanbul Technical University (hereinafter the "Intern").

together referred to as the "Parties".

The Parties agreed on the internship described below before it started and now record that agreement in writing. This Agreement takes effect from 6 July 2026, irrespective of the date of signature, and governs the internship period ending on 18 September 2026.

### Article 1 – Purpose

The purpose of this Agreement is to set out the terms of a supervised technical internship carried out by the Intern at the Company, as part of the mandatory internship requirement of his undergraduate programme in Electrical Engineering at Istanbul Technical University.

### Article 2 – Position and duties

The Intern is engaged as a Research Intern. He works on a technical decision-support system for electrical installation standards and equipment documentation, intended to run fully offline on resource-constrained hardware. His duties include:

- developing and testing the document retrieval (RAG) pipeline over electrical engineering standards, regulations and equipment manuals;
- designing and implementing the semantic similarity and semantic caching components of the system;
- optimising the local model inference for CPU-only operation, without GPU acceleration;
- measuring and evaluating system performance (response time, retrieval time, inference time, cache hit rate, answer accuracy) and documenting the results;
- preparing a written weekly progress report and a monthly technical report in English.

### Article 3 – Term

The internship begins on 6 July 2026 and ends on 18 September 2026. This Agreement expires automatically at the end of that period without further notice.

### Article 4 – Place of work

The Intern works at the Company's office at Room 701, Building No. 2, Zhejiang University Ningbo Campus (Ningbo Innovation Center), Ningbo, Zhejiang Province, P. R. China.

### Article 5 – Working hours

The Intern works Monday to Friday, 09:00 – 18:00, including a one-hour lunch break, that is 40 hours per week. Saturdays, Sundays and Chinese public holidays are days off.

#### **Article 6 – Supervision and reporting**

The internship is carried out under the overall responsibility of Prof. Kingsum Chow (Zhejiang University; founder of Youtune) and under the direct technical supervision of Prof. Tony Wu (Zhejiang University). The Intern attends a weekly progress meeting with his supervisor and submits a written weekly progress report.

#### **Article 7 – Allowance**

The Company pays the Intern a monthly allowance of 4,000 CNY before tax, on the 24th day of each month, for the duration of the internship. This is an internship agreement and not an employment contract under the labour law of the People's Republic of China.

#### **Article 8 – Insurance, visa and health**

The Intern holds private international travel and health insurance valid in the People's Republic of China from 21 June 2026 to 19 September 2026 (Anadolu Sigorta, policy no. 122936321-4), which covers the whole internship period. The Intern is responsible for holding a valid visa or residence permit for the duration of his stay.

#### **Article 9 – Confidentiality**

The Intern shall keep confidential any non-public technical, commercial or personal information of the Company or of its partners that comes to his knowledge during the internship, both during the internship and after it ends.

#### **Article 10 – Intellectual property**

The results of the work carried out by the Intern within the scope of this Agreement, including source code, documentation and measurement data, belong to the Company, subject to Article 11.

#### **Article 11 – Academic use**

The Company agrees that the Intern may describe the work he carried out during the internship in his internship report and in any other academic document required by Istanbul Technical University, and may submit it to the university, provided that no confidential information of the Company or of any third party is disclosed. The Company also agrees to review, sign and stamp the daily pages of the internship report as required by the university.

#### **Article 12 – Obligations of the Intern**

The Intern shall attend regularly, follow the reasonable instructions of his supervisors, comply with the Company's internal rules and safety instructions, and use the equipment made available to him with due care.

#### **Article 13 – Obligations of the Company**

The Company shall provide the Intern with a workstation and the equipment required for the work, assign him tasks consistent with Article 2, provide technical supervision, and issue him an internship certificate stating the dates of the internship at the end of the period.

#### **Article 14 – Termination**

Either Party may terminate this Agreement before its expiry by giving 7 days' written notice. The Company may terminate it with immediate effect in the event of a serious breach by the Intern of Article 9 or Article 12.

#### **Article 15 – Governing law and language**

This Agreement is governed by the law of the People's Republic of China. It is executed in English. Each signed and sealed copy is an original. If it is translated into another language, the English text prevails.
